BENEFITS GUIDE

February 1, 2022 - January 31, 2023

Welcome

Your benefits are an important part of your overall compensation. We are pleased to offer a comprehensive array of valuable benefits to protect your health, your family and your way of life. This guide answers some of the basic questions you may have about your benefits. Please read it carefully, along with any supplemental materials you receive.

Eligibility

You are eligible for benefits if you work 30 or more hours per week after completing your new hire waiting period. You may also enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- ▶ Your legally married spouse or Domestic Partner
- ▶ Your children who are your biological children, stepchildren, adopted children or children for whom you have legal custody (age restrictions may apply). Disabled children age 26 or older who meet certain criteria may continue on your health coverage.

When Coverage Begins

- **New Hires:** If you enroll on time, coverage is effective on the first of the month following 30 days from your date of hire.
If you fail to enroll on time, you will not have benefits coverage, and your next opportunity to enroll will be Open Enrollment.
- **Open Enrollment:** Changes made during Open Enrollment are effective **February 1, 2022 - January 31, 2023.**

Choose Carefully

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period, unless you have a Qualifying Event during the year. Following are examples of the most common Qualifying Events:

- ▶ Marriage or divorce
- ▶ Birth or adoption of a child
- ▶ Child reaching age 26
- ▶ Death of a spouse or child
- ▶ Change in child custody
- ▶ You lose coverage under your spouse's plan

Making Changes

To make changes to your benefit elections, you must contact Human Resources within 30 days of the qualified event (including newborns). Be prepared to show documentation of the event such as a marriage license, birth certificate, or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment period to make your election changes.

Required Information—When you enroll, you will be required to enter a Social Security number (SSN) for all covered dependents. The Affordable Care Act (ACA), otherwise known as health care reform, requires the company to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.

WHAT IS A HIGH DEDUCTIBLE HEALTH PLAN with HSA?

A High Deductible Health Plan (HDHP) offers comprehensive Health care coverage at a lower premium and higher deductible than traditional health care plans. A HDHP also features a health savings account (HSA) that enables you to pay for current, qualified health care expenses and save for future expenses on a tax-free basis. You have the opportunity to set aside funds in your HSA before taxes through convenient payroll deductions.

HSA FUNDING

There are several ways to contribute money into your HSA. You can make pre-tax contributions through payroll deductions and your funds grow tax free. You can also make after-tax cash contributions that are deductible when you file your taxes. If you're 55 or over, you can make catch-up contributions up to \$1,000 per year.

You decide how or if you want to spend your funds, and they roll over year to year.

IRS HSA Contribution Limit	2022
Employee Only	\$3,650
Family (employee + 1 or more)	\$7,300
Catch-up (age 55+)	\$1,000

QUALIFIED EXPENSES

Qualified expenses are items not covered by insurance, as defined by the IRS. Learn more at <http://www.irs.gov/pub/irs-pdf/p502.pdf>.

ELIGIBILITY

To be eligible for contributions to the HSA bank account, the IRS requires that you must be enrolled in a qualified high deductible health plan (HDHP). Our Cigna HDHP qualifies. The IRS also mandates that you do not have any other health coverage that is not a HDHP or permitted insurance.

Additionally, you may not be covered by the following and use an HSA: a spouse's medical or pharmacy plan that are not a HDHP; through Medicare Parts A, B, C and/or D, or TRICARE programs; a general purpose Flexible Spending Account (FSA) plan.

Flexible Spending Account (FSA)

We provide you with an opportunity to participate in up to two different flexible spending accounts (FSAs) administered through Paylocity. FSAs allow you to set aside a portion of your income, before taxes, to pay for qualified health care and/or dependent care expenses. Because that portion of your income is not taxed, you pay less in federal income, Social Security and Medicare taxes.

You may enroll in an FSA if you are choosing the CIGNA OAP 4K or OAP 2K plans, or enrolling in coverage outside of Southern HVAC. You may not enroll in the FSA if you are choosing the CIGNA HDHP option.

CONTRIBUTION LIMIT AND QUALIFIED EXPENSES

For 2022, you may contribute up to **\$2,850** to cover qualified health care expenses incurred by you, your spouse and your children up to age 26. For a complete list of qualified expenses, visit www.irs.gov/pub/irs-pdf/p502.pdf.

USE IT OR LOSE IT

FSA funds are subject to the IRS's use-it-or-lose it rule. When you make your FSA election during open enrollment, estimate carefully as leftover funds at the end of the year will expire and cannot be returned to you.

Life and AD&D

Life insurance provides your named beneficiary(ies) with a benefit in the event of your death. Accidental Death and Dismemberment (AD&D) insurance provides specified benefits to you in the event of a covered accidental bodily injury that directly causes dismemberment (i.e. loss of a hand, foot or eye). In the event that your death occurs due to a covered accident, both the life and the AD&D benefit would be payable.

Basic Life/AD&D (Company-paid)

Southern HVAC provides every full-time eligible employee with basic life insurance coverage. This benefit is provided at **NO COST** to you through Mutual of Omaha.

Benefit Amount	Non-Performance Pay Employees: 1 x basic annual salary up to maximum \$250,000
	Performance Pay Employees: \$35,000

Voluntary Life/AD&D(Employee-paid)

If you determine you need more than the basic coverage, you may purchase additional life insurance for yourself and your eligible family members through Mutual of Omaha and convenient paycheck deductions. Rates are age-banded and dependent upon the amount of coverage you select.

Benefit		Guaranteed Issue
Employee	Increments of \$10,000 up to 5X annual salary or \$500,000	5X Annual salary, up to \$100,000

Child(ren)	Increments of \$10,000 up to \$10,000 (child amount cannot exceed the Employee elected amount)	\$10,000

Guaranteed Issue amounts are available at your initial enrollment only. Enrollment at a subsequent opportunity (like the next Annual Enrollment) will require Evidence of Insurability.

Evidence of Insurability

If you elect Voluntary Life/AD&D coverage, you may be required to provide proof of health to Mutual of Omaha, who may approve or deny the coverage. The only exception to this is during your initial enrollment when you may elect up to the Guaranteed Issue amount without going through the proof of health approval process.

Disability

Disability Insurance provides monetary benefits that replace part of your lost income when you become unable to work due to a covered injury or illness. Both short and long term disability benefits are administered by Mutual of Omaha.

Short-Term Disability (Employer-paid)

Southern HVAC provides every full-time eligible employee with short-term disability coverage. This benefit is provided at **NO COST** to you. If you are unable to work due to illness or injury for over 7 days, you may file a claim. MetLife Voluntary Benefit Plans

Southern HVAC employees may enroll into MetLife plans on a voluntary basis at group rates. Your premiums for these plans are calculated automatically in Paylocity and are paid through convenient payroll deductions.

Critical Illness

Critical Illness insurance provides you with a lump-sum payment upon a verified diagnosis of a covered condition, as long as you meet the requirements of the policy. Covered illnesses include cancer, heart attack and stroke.

This plan can help safeguard your finances by providing you with one convenient payment all at once when you or your family may need it most. You can use this payment to pay for whatever you need, such as expenses that may not be covered by your main medical plan(s). For example: co-pays, deductibles, childcare, mortgage, groceries and experimental treatments.

No medical exams are required for enrollment and rates are age-banded based upon the coverage level you choose and whether you enroll your eligible dependents.

Hospital Indemnity

Hospital Indemnity Insurance pays you benefits when you are confined to a hospital, whether for planned or unplanned reasons.

This plan provides payment benefits for hospitalization due to accidents and sicknesses, such as admission to a hospital and hospital stays. A flat amount is paid for the day that you're admitted to a hospital, and a per-day amount is paid for each day of a covered hospital stay from the very first day of your stay.

Rates are based upon the level of coverage you choose and whether you enroll your eligible dependents.

Accident

Accident insurance pays out a lump sum if you incur an injury as a result of an accident. These benefits may supplement both health and disability insurance. A benefit payment can be used to pay for expenses that your health insurance doesn't cover—or it can provide additional financial support if a covered event causes you to lose income due to being out of work.

Some eligible accidents and the corresponding benefit payments include (this list is not exhaustive; see plan summary for additional information):

No medical exams are required and your rate will depend on which level of coverage you select and whether you cover your eligible dependents.

Benefit Type	Low Plan Benefit	High Plan Benefit
Concussion	\$250	\$500
Eye Injury	\$300	\$400
Coma	\$7,500	\$10,000
Ambulance	Ground \$300 Air \$1,000	Ground \$400 Air \$1,250
Hospital Admission	\$1,000	\$1,500
Hospital Confinement (up to 15 days)	\$200/day	\$300/day

Accidental Death & Dismemberment (AD&D)

Voluntary accidental death and dismemberment (AD&D) may help provide financial security should a sudden, covered accident take your life or cause you serious loss or harm. It may help your family meet long-term financial needs—household expenses, child care, saving for college and retirement—if a wage earner dies from a covered accident or is recovering from a sudden, covered accident.

Rates depend on the amount of coverage you elect and whether you cover your eligible dependents.
